Asalamu alaykum to all muslim brothers and sisters on Connect Uganda

For those of the online community (www.connectuganda.com, etc) from Uganda and live in the diaspora and are interested in hearing the Quran in their native tongue. My site is addressed to you only with the motive of winning Allah's reward by contributing my bit to my deen.

Its therefore every Muslim's right to give Dawa'h in one form or another.

There are English translations and Arabic audios of the Quran that one should obtain at | www.all-quran.com

Please bear with me in the mean time as production is still underway.

I will be posting Quran in Luganda AUDIO and PDF version.

Asalamu alaykum wa rahmatullahi wabarakatu.
