
LAWS OF OPPOSITES – FREE NUBAIN BOOK TO DOWNLOAD

Posted by ebuna112 - 2007/09/21 13:07

To my brothers and sisters of Uganda. I found a FREE NUBIAN BOOK on an American website chat forum and just thought I should let my people know about it. From a historical perspective they are actually talking about OUR forefathers that is why I think is essential that many of us check this FREE literature out.

THOUGH I WILL STATE THE FOLLOWING:

1. THAT THERE ARE STRONG ISSUES IN THE BOOK
- 2 AND STRONG WORDS
3. SOME PRETTY ABSTRACT NOTIONS

BUT THERE IS STRONG INTELLIGENCE & RESEARCH STATED !

Good Luck

WRITTEN BELOW IS THE INFORMATION I FOUND AT THAT U.S FORUM !!

THE LAWS OF OPPOSITES – FREE BOOK FOR DOWNLOADING !! 2007/8 & 09

THE LAWS OF OPPOSITES !!

After reading many of the subjects in this forum I thought I should let people know of a FREE PDF BOOK SERIES for downloading I found on a U.S chat forum. I found the site in the beginning of this year and the site is still there right now. The book is called MESSAGE FROM THE AFRONAUTS - THE LAWS OF OPPOSITES. It covers much of the topics that I have found on this forum. It is most informative for Africans who don't have good internet access like myself. There are some harsh words in the book that is why it is for downloading then reading. More importantly, there is some HIGH-LEVEL information which apart from the books sources (recommended writers stated by the authors) I have not seen online at all.

! You will need a serious-open mind for many of the issues raised in the book !

African people looking for some SERIOUS knowledge should download all the PDF's. Every couple of months new PDF's are added from what I can see. I think this book series has been around for a couple of years now. The PDF Books are completely FREE for downloading (the introductory page even states it), I repeat it is not for the weak minded at all. The separated PDF volumes are located here.

Website 1 : <http://redboat.freespaces.com/>

FREE PDF BOOK VOL.1 (1.05MB)

FREE PDF BOOK VOL.2 (835K)

FREE PDF BOOK VOL.3 (995K)

FREE PDF BOOK VOL.4 (435K)

FREE PDF BOOK VOL.5 (395K)

FREE PDF BOOK VOL.6 (285K)

FREE PDF BOOK VOL.7 (360K)

FREE PDF BOOK VOL.8 (310K)

FREE PDF BOOK VOL.9 (350K)

FREE PDF BOOK VOL.10 (300K)

FREE PDF BOOK VOL.11 (265K)

FREE PDF BOOK VOL.12 (620K)

FREE PDF BOOK VOL.13 (320K)

FREE PDF BOOK VOL.14 (485K)

This website comes and goes for weeks at a time so if you see the files I recommended you click away the pop-up then download all of them there and then. The files are small average 300K (20 seconds to download each).

Another website I found is.

Website 2 : <http://www.megaupload.com/?d=PJHP13Q0>

On the megaupload webpage page simply type in the letter code in the box on the top right hand side and click download – then another screen will appear – then wait 45 seconds (See time countdown at bottom of screen) then click free download and the file will be ready for downloading. You MAY need software called Winzip to open the file – that's free online as well. To read the pdf's you will need Adobe Acrobat reader – this is free online also. The file is called LAWOP.zip (6.5MB) all 14 volumes are inside the zipfile.

Many of the topics discussed on this forum are discussed on these PDF's. Some of the information is pretty out there but some of it is of a high-level indeed. Vol.1 to 3 is just the warm-up from Vol.4 onwards it gets deep (for myself at least).

I RECOMMEND THAT EVERY AFRICAN PERSON SHOULD AT LEAST CHECK IT OUT SINCE ITS FREE - AND PASS IT ON !!! DISCREETLY YOU WILL KNOW WHAT I MEAN AFTER YOU'VE CHECKED ALL THE VOLUMES OUT.

Check every couple of months they are always updating the PDF's with new volumes – Vol.15, 16 etc. If people know where else to get it they should let the forum know.

Just some free information for the people..peace.

JeenaJulia, the books are actually in English and are very informative if not educative.

Ebuna, thanks for sharing

Our African American brothers and sisters are working hard to rebuild an African Civilisation that they can base their existence in a wildly competitive white world. It's advisable to join them. Like here, we could download this stuff, and if there is anything anyone of us know in addition to what they've found, let's try to put our knowledge together. It's power. Would help in many ways, including taking us from this big broom situation

Ooops.... Meli just said the 'B' word :dry:

I really dream of an exodus. I mean a mass mass big enormous exodus where all will go back to where nature intended them to be. Anyone shares this dream with me?
