
Ugandans In English Speaking Countries

Posted by Meli - 2007/10/17 15:30

A gentelman called on our Sunday Family show and voiced his concern about the English that the Ugandans in the UK speak, that is not understandable to their fellow countrymen. Another gentleman called and attributed this to the different dialects in the UK, and our people's struggle to fit in. Any comments?

Kino okusinga okisanga munsu zogera luzungu kuba tolisanga muntu ava mu Buwalabu oba mu Bufalansa ayogera luganda kifalansa oba kiwalabu. Ndowooza lwakuba Abangereza batunaaza obwongo bwaffe mukyogero kyaabwe, ekitulowozesa nti olurimi olwaabwe lwelusinga okuba olwawaggulu okusinga olwabujjajaffe. Ekyewunyisa abeeru tebemanyizi ntimi zamawanga malala, ndowooza balaba nti ozikulembeza balabika ngabaddu gyebali. Ffe abaddugavu naddala Abaganda ffe tutoba nolwaabwe naye bbo nebwebaba bazaliddwa waffe towulira ayogera lungereza muluganda, wadde naddayo ewaabwe nazingulula olurimi lwe muluganda. Abaana abazaliddwa ebweeru abatafunye mukisa kuyiga lurimi lwaabwe obagumikiriza, naye teri kiwunikiriza nga muntu avudde waabwe bukulu namalawo week emu ebweeru nakutegeeza ngolurimi lwe oluganda bwelumutawaanya, Awo oba oline kumuddamu kimu kyokka nti anti olulimi lwobujjajjaabwo obungereza tebuganya kwegazaanya mulugwiira. Mubimpimpi tukyaali baddu ba Bangereza mubwongo ,okutuusa lwetulisalawo nti olulimi lwaffe Oluganda lwelusinga olulimi olulala lwonna obulungi.
