
WHAT DO YOU LIKE MOST ABOUT CONNECTUGANDA.COM?

Posted by Meli - 2007/11/29 07:50

Yes, we have asked ourselves this question before, but let's take another look at the feelings we have towards this CU phenomenon. I have noticed that almost everyone who calls on the Sunday show, have a nice word to say about especially the radio and the chatroom. I am more of a forum person. 'Guess it's the reason for all these channels. Something for everyone. So, just tell us what you like most about CU.

As one of the SECURITY personnel at connect Uganda parliament, i would like to thank all of you participates in all media.

MELI we know you as maama connect and we love the high maintenance services you offer connect.

Do i like this about connect, of course.It can attract strangers and make them family.

Most of us w'd be surprised to see each other if we met in reality , maybe we w'd never even say Hi to each other, BUT at connect we are forced to roll with the humor and make it more fun.

I have networked with a lot of people here and have also learned to accept other people's opinions as they do mine...more power to all of us!

Almost everything that goes on at CONNECT UGANDA is indeed something to reckon about and I never want to miss a thing though sometimes I just cant help it.It's one GREAT HAPPY FAMILY altho´at times u find a sister calling a brother mbu "A bagundi gundi" or a brother brandishing a sister with the letter "O" ..xters to that effect.But thanks to the moderators who are always at hand to see that CONNECT UGANDA REMAINS WHAT ITS MEANT TO BE...period.

Ancient dear,that to me is part of the fun that Connect Uganda has to offer so i dont mind such brotherly/sisterly acts.And as u too have said,the time is coming when we shall get to know each other in person.But on a happy note,I know u, only that I was surprised to find out that the same Ancient was a.k.a Angiebee.My biggest shock was when a one Ancient put in a post of a one Angiebee being upset with forum members...u got me with my pants down gal,bravooB)

What I like most about CU is, apart from Tonto of course, the democracy we've got here. Talking about anything and everything. I 've never visited the chatroom, everytime I tried I failed. Someone told me I have to wait a little while, but I am also usually very busy on sundays. I manage though to put on the Radio and listen in on what goes on. There, every now and then comes a joke or something straight from my home people to make you smile. Like last sunday, this actor in South Africa, said to Mike, Owange Mike, ngambira Queenie oyo, nti lwaki tampa ku kasimu ke? It was so unexpected I burst out laughing. Lwaki yabadde tamwegambira ate oba ne Queenie yabaddewo? Kyokka ali brave okukwanira ku mpewo nga ensi yonna ewulira, naye nga ayita mu Mike. That was hilarious!!

If I was told to choose, I would choose the forum, because it's here everyday, and I don't need to stand in line.

JJ, "bagundi gundi" is actually a high and very rich class of people. It is therefore an honour to be referred to as "bagundigundi". Bytheway, I would love to "get u with your pants down".

Whats there not to like really?I just like it when lost members resurface but most of all the greatest fun comes in when people call in not realising that they are already on air,they begin discussing what they are going to say...I really enjoyed last sunday when a young fun kept saying.."Ngenda kugamba yenze Matte Fulimpani Sekitobero...way to go Matte you really made the day.At least those who were stressed were relieved in a way.Letting loose those laughters :laugh: :laugh: :laugh: kyali kikaaaaa.:woohoo:
