DADDY TONTO'S NEW TURKEY RECIPE

Your dinner will be the talk of the TOWN!!

You should try this!

Sure to bring smiles from your guests!

Here is a new way to prepare your Christmas Turkey.

1. Cut out aluminum foil in desired shapes.
2. Arrange the turkey in the roasting pan, position the foil carefully. (see attached picture for details)
3. Roast according to your own recipe and serve.
4. Watch your guests' faces...

May your stuffing be tasty

May your turkey plump,

May your potatoes and gravy

Have never a lump.

May your yams be delicious

And your pies take the prize,

And may your Christmas dinner

Stay off your thighs!
