# REVELATORIUM - EKITABO EKYETTENDO

In Divine Order

The Revelatorium is your textbook to Reality. The Great Book is being opened at last. It is the universe your own inner soul (not your physical eyes) sees.

The revelatorium is not from the Outer consciousness of Man.

-0-

The whole point of the Revelatorium at the present time, is a guide to help you separate fact from illusion in the wink of an eye. Once you've started doing that, your own higher consciousness will start filling in the gaps because you ask yourself the question by the very fact of your constant preoccupation about thngs and desire to know the truth in order to serve humanity properly in true Chirst consciousness awaareness and not to patent up even more illusions from out of precepts.

-0-

When The Revelatorium appears to be in conflict with existing texts, you need to read the Revelatorium all the way through before deciding which one is to be believed.

-0-

The Revelatorium is on the Christ table 'as is'. It is not intended to stir up a dialogue, forum, or controversy. Nor is it a doctrine or personal belief. Nor does it represent a new philosophy, religion, or group. Nor is it to be used as fodder for a church.

AUM-EEN OMM-EEN AUM-EEN

-0-

The Revelatorium is a textbook to Reality and not a collection of essays. Please read accordingly.

---

Also, do not let the religious overtones throw you off. The Revelatorium is anything but a religious tome.

Ndi muganda.

Jjukira Yesu yayogera nti, 'what i have done you too can do and more can you do'.

SIGNS AND WONDERS ARE EVERYWHERE:

Soooo...

'seek and you shall find'

'get thee wisdom but above all get thee understanding'

FAKE PROPHETS ARE EVERYWHERE:

So...

'beware of those who set themselves in temples of worship'

The Thessalonian had already seen this happen.

'DO NOT LIMIT THYSELF'

:) Happy new year.:)

Ebintu bingi biwaddewo okuva my 1850 okutuuka mu 1998 ebitakola news headlines kubanga biri very spiritual.

---

Ensonga endala mpozi yaaliwade nti bwoba ogenze mu kibiina ekipya, oba bwetaaga information(oba ekitabo or omusomesa) anakuyisa mu kibiina ekyo mu mpoowooze. Kwegamba nofumamu nnyo mweyo experience okusinga bwonetwaalayo bwokka nga tomanyi ki kyogenda okusanga yo.

Mu bino byonna, awo oluna okumanya nti abantu oba information egenda okkuyamba eba eva wa Katonda ng'eyita mu bantu abenjwulo abalina talanta esaanidde okukozesebwa mu ngeri eya buli omu. Awo bwotegerera nti zi-talanta ku muntu zirina kukozesebwa nga Yesu bweyali ayagadde zikosewebwe, namely; mweyagalenga(love one another) era mweyambenga(serve one another).

Kati ensonga endeseza ekitabo Revelatorium wano kwekkulaga nti, waliwo ebintu bingi byolina okumanya kumulembe omuppya ne plans(entegekategeka) eziteekeddawo Katonda ngayita mu baddu be(arch-angels) ezirina okkuyisa mu guno omulembe omuppya ogugenda okumalawo emyaka enkumi bbiri(2000yrs). Mugino emyaaka, Katonda akimanyi nti buli muntu yena kuno kunsu ajja kuba azzeeyo okukola ebintu byeyali ateekedwa okukola, era ebyamboone biggya kuba biwedde. Era ekitabo kino kikkaatiriza ddala ekizibu ekisooka mu byamboone byonna, ekiyitibwa okwenda(sex for pleasure) n'ebisiyaga(same sex relationships). Kibi nnyo okulowooza nti okweeganza okwengeri eno(having sex for pleasure) kintu kirungi...endowooza eno yokka ekuggazaawo gate ekutwaala mu ggulu. Kyeeko lwaaki mu kitabo ekyo, kiwandikiddwa nti omulimu ogusookela ddala kw'okwejjako ebirowozo ebyekika ekyo. Awo eggulu bwelitandikira okukka ne kunsu kuno(thy will be done in heaven as it is done on earth). Era kasita obyejjako, amagezi go agakwatagana ne Katonda gayinza okweyongera ako ebitundu 99 ku 100. At the moment, ago amagezi togalina.

Abo abanaba balemweddwa okukyuuka mu myaaka enkumi ebbiri egijja mu maaso, kiggya kuba kilaze nti tabasoborera kukuuka

---

era awo Katonda yanasalawo gyanabateeka. Naye kuno kungsi  
bagya kubagyako abatukiridde basigaleko(and the meek shall inherit  
the earth). Kuba ensi  
eno gyebujja, erina emirimu emirala gya Katonda gyelina okukola.  
Mubufuutifuti, bino byona byenjogedeko byona mbisomye kuva mu  
kitabo kya Revelatorium. It is just 1% of the full story in that  
book. Kitabo kipya.

Abo abeetegese okukisoma, bajja kukisanga okuba ekyenjawulo, era  
bwe banakisoma kyonna, bajja okulaba ebintu bingi nyo nyo nze  
byesisobola kwogela bulungi nga nkozesa olulimi luno oluganda.

Abo abataneetegeka, ebyaabwe kubirekela eri abali mu Ggulu. I tell you, no one is resting in heaven until people in the  
whole world learn to love one another and serve one another. and also to practice

'THOU SHALL NOT KILL'. To emphasize further, no angel of God is resting on that account until all the Children of God  
are back.

:lol: :cheer: cheers :laugh: :cheer:

Temuli codes.

Ekitabo kisobola bulungi okweddramu buli kibuuza ng'ojjeeko ebikwatagana ku terms ezimu ezikyaali empya.

Just to arouse your interests, a quote from the last chapter 'Alpha and Omega':

Volunteers, casted dragon, and Adamics notwithstanding, Christ put the responsibility for clearing each's individual consciousness squarely upon each's own shoulders through love and service in right direction. Religion has taken it back off. Those who await for Christ to solve their problems await forever. Ask not what Christ can do for you, ask what you can do for Christ.

Who are the Volunteers, casted dragon, and Adamics? Explained in the previous chapters of the book.
