Ono omusajja ayagala kutumanyira yelabide nti nomusungu gwe tulowoza nti mugezi nnyo yewunya cheyalabako nga aze ebuganda.Kale akimanye nti ffe twamuyamba okuyigira wo era tutekateka ku muzukusa nga bwe yakola abe engulu.:angry:

Mr.M7 Try and scrath your bold head for once and think, coz i think its time to call it quits.Even your sibling we know his been well funded and trained. But remember even the American army is well funded but many have gone back home in black bags for the last five years in Iraq.So don't wait to be sorry.

I'm one of those people who don't rush to conclusions, because I think it's a mean thing to condemn an innocent man. But now it's just too obvious to deny anymore, the government has some ugly ulterior motive concerning the land of Buganda. There is no other explanation why foreigners are all of a sudden coming in to buy land, big chunks of it. There is no reason why villages are being levelled and schools demolished. No reason why poor people are crying out for help, when the government tries to cover-up their voices with the confusion about implementing some bogus laws to help them when in truth it's the one that's hurting them in the first place. I just wonder, what makes God's people so stupid? How can anyone think he can pull off something like this, in this century? How much more blood will it take? Help us Lord!!!

CAN YOU TELL ME...

BORN IN USA TO BECOME AN AMERICAN ,THEREFORE CAN BUY LAND IN USA.

BORN IN UK TO KEEP MY UGANDAN CITIZENSHIP,CAN BUY PROPERTY IN UK.

BORN IN INDIA TO BECOME....., CAN BUY PROPERTY IN INDIA.....NO

BUT BORN IN UGANDA BY AN INDIAN LINE OF ANCESTRY TO BECOME A UGANDAN WITH ACCESS TO ALL BUSINESS DENIED TO THE CITIZENS.....WHAT A PICTURE!

IN THE WORST CASE SCENARIO,LOOK FOR A POSITIVE IN THIS, WHEN ANOTHER IDI AMIN RISES,WE SHALL GET TO KEEP SERENA,MUYONYO,ETC (I HOPE U GET THIS POINT).

BETTER A MUYINDI WHO WILL LEAVE DEVELOPMENT IN MY COUNTRY THAN A MUNYARWANDA WHO WILL SNATCH MY LAND WITHOUT PAYMENT....AGAIN, LOOK AT THE WORST CASE SCENARIO!

Baganda dont give up on what is yours and will always be yours---land. India maybe the land is owned by a COW--
WHICH IS AN ANIMAL WE EAT

BUT IN BUGANDA WE HAVE---SABASAJJA KABAKA----WANGALA AYI SABASAJJA WA BUGANDA.
