Kalibatanya..omulya mamba abela nomu....naye tukilize nti mubayimbi baffe mulimu abasomeseza ddala ela omuntu nafunamu ekyokuyiga.There are so many ways of killing a rat,you can kick it,box it,hit it with a stick or even trap it at the end of it all ojakuba ogise.Ekilala degree oba diploma zokuyimba nze ndowoza ze zo awards zebafuna.

Meli wrote somewhere nti "Gwe wali omanyi okupanga?" and "Ka mmuwe kubanga ye maama wange?"I really have failed to figure out what she had in mind.But I just pray its not what am thinking coz....never mind.But all in all teaching and learning are not easy tasks and thats the reason we have failures and gainers.

I would say JJ that I don't feel taught by these songs, in most cases not even entertained. Where I frequent, there are so many people who feel the same. Waliwo aleese wali nga ennyimba z'omugenzi Sebadduka,nga owulira akubuliira ebintu ebiri interesting byewandiyagadde okumanya. SOmetimes nga it's simple story telling naye nga mulimu interesting twists eziraga morals nga zezisinga mu bulamu. Kyoovq olaba nga ennyimba zabantu abo, tezikaddiwa. Nabatannazalibwa bajja kuzisanga enyimba ezo nga zinyuma. Kati mu ggwe wali omanyi okupanga ggwe wayigamu ki? Yesu, omusomesa wa basomesa yagamba nti sijja kubagamba kwagala babagala, kubanga ate awo oba okoze mulimu ki? Mu butuufu waliwo omuntu agenda okuwulira Chameleon nga bwa wa maama we kubanga asaanye afunye, nabaawo kyayiga? Nze nzikiriziganya nekigamba nti basanyusa Intertainers nga munsi endala bwebabayita. Buvunayizibwa bungi okweyita ebisingawo, naddala eri abato abayinza okulowooza nti kuba oli yabeera olubuto emyeezi mwenda olina okumuwa afune. Songa ate oluusi ono yazaala nasula wali, nga mulala yeyasaza ekibatu entuuyo nomusaayi okumukuza nokumugunjula. Omwo mwemuva abaana abakuzibwa abalala obutabalaga kusiima, mwemuvudde kati byowulira nti kezaala kekomberera. Tetugambye nti tebayimba, naye baleme kweyita byebatali.

I beg to make my contribution in english. First of all let me explain why - I read and understand luganda so well but terrible when it comes to writing.

I would like to concur with rambuka some of the songs are educational while others are obnoxious. But again its up to individual judgement, to make a choice of music that is appealing and/or educational. If you ask me, some of these songs make good listening but are pretty much about petty wrangles. Maybe a good way for the singers to get rid of the negativite vibes, yes, eudcational???? hmmmmmmm some but not all. I won't enumerate.
