Have a look at this letter applying for the job....

This is a true extract of an application sent to the Manager of a Company looking for Security Guards.

Dea sir,

I am apply to my job of security guard to you boss in you company of Clearing and forward. I am complete to form 3 examination certificat

in 2002. My school certificat is very good. I can come to see it for you. I am 27 years to be born of age and no married and no children.

My father is dead long time and my mother married in Tingiting Congo country 10 years, since I am in primary school not see she so nobody known to help me. My certificat is sitting home for it self, but passes in mathematics, geography, Science and all subject but fail

English because of teacher teaching me is jealous of myself. I am wearing good cloth than to them. but can speak English free.

I here you company want security guards and I tell you I want job. Am one of that job experience for 2 years I shoot thief dead this

temporary job. I want to employ in you company because I can shoot gun AK47 I learned from Rocardifence.

Please consider me application careful and telephone me any time because I have cellphone. number 03302150 I am ready for interview for you.

I am very kind.

And remember that English is not our mother land!!!

Thank you very much.

Yours sincere

Rukara Heremenegirdi.

I recommend that you join ASKARI GUARDS while you are at it lengthen your nose a wee bit and we'll get you a ticket to

IRAQ. Please note your syllables must have more Rs than Ls.

Good luck

I remember a girl who filled out an application form for a job. Names, address, age, job applied for etc. Then came "sex", where she should have filled "female". Instead she wrote: "six times a week".
