
WHAT HAPPEN TO SUNDAY SHOWS....MIKE ?

Posted by cassim - 2008/05/31 16:45

MIKE ,katwale omukisa guno dange obutali bwekanya eri program yaffe engazzi enyo olwobutabera wo efunda eziwerako nga te ffe abawuliliza tetufunye kutegezebwako wadde.

Mike this project you started as a voluture was a good thing thou you forecast the out would couse to the public when people of all the world pick the interest you initiated .

Its no-longer personal now its a public perspective we all share the views and the time you "mike" and our lovely QEENIE render to us,Now Mike you have a community from North pole to South pole national wide who comes here every Sunday to enjoy the show But only find out that you are not on the air

Let me address this.. every Sunday we have changed our programs to this lovely Sunday show but wee are going frustrated every week .

Don't take me wrong i just wanted to bring my concerned to you i wish the best upon our members

Point noted Cassim. Thanks. We are live this Sunday. I know we have been sketchy in our communication and this is not right. There's issues we had to sort before the live shows could resume. The next to good news is we are slowly but surely getting to the bottom of them.

Again, we appreciate your custom. And we know without our listeners we can not survive,

Regards.
