k wesonga, you can now enjoy your forum as you wishes, with those of like mind. we leaves it to you to enjoy as free as you wish. you can write anything you want, backed by that "open-minded" munyankole webmaster. no body will challenge you. fredom of press, right? You will hear no body challenging whatever you write. and feel very hapy. bye....

Correct. mzee, you must respect others. why insult our webmaster by calling him names? respect others. why call them "like-minded"? respect others, mzee.
