Uganda is already blessed. Gifted by nature, with fertile land, regular seasons and rainfall, and a regular harvest. A very fine weather prompting Churchill to call it "the pearl of Africa". At one time, Uganda was known as the "London" of Africa. Uganda was growing at the highest speed in Africa down of the Sahara, apart from South Africa. While other African countries are starving, Uganda is capable of having a surplus of food supply. At one time Uganda was the third coffee growing country in the world. Our coffee quality was one of the best in the world. Uganda had and still has favourable conditions for growing cotton, tea, beans, sugar cane, sogam, maize, you name it, as foreign exchange earners. Look at our chimpanzees, and the tourism industry. It was easily the best in Africa. Gifted by nature.

As if that was not enough, God has blessed and favoured Uganda with plenty of foreign economic aid. A great, great amount of money is being given to Uganda as aid, with previous debts forgiven.

Ugandans are usually referred to as "very intelligent and talented people" in the white peoples' countries, especially Europe. See how many professors, doctors, engineers, computer experts, and other professionals, skilled and unskilled manpower we have within Uganda. Consider also the so much Ugandan manpower in the diaspora.

Now God is asking you; How else do you want Him to bless Uganda?

Kamikatono, what you are saying is correct. But I need to correct you. It was Kampala which was at one time known as the "London" of Africa. Not Uganda...;) The rest is okay.

I believe we need to re-negotiate our freedom, claim it and then ask for God's help. Katonda anyaba abeyamba.

A Call To Prayer (no money required)

THE SAVE UGANDA PRAYER CHAIN.

If you are truly born again and are grieved in the spirit about the state of Ugandan politics, the compromise and obvious lack of leadership within the body of Christ in speaking out and acting against safe houses, northern hidden genocide, nepotism, sectarianism, corruption, gay conferences and the general decay of public services, while the church leaders are pretending that all is well, please be encouraged that you are not alone.

The Save Uganda Prayer Chain would like you to join with us early every morning anywhere between 3am and 5am in prayer from the privacy of your bedroom. There are thousands of us already. We would like you to commit yourself to spiritual warfare, coming against the powers and principalities that seem to be enjoying our lackadaisical attitude to reclaim our country. We use the internet to communicate to each other and coordinate our prayer efforts.

You are not required to send money to anyone anywhere, nor are you required to demonstrate violently or openly in the street. "For though we walk in the flesh, we do not war after the flesh: for the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds" 2 Cor 10:3-4. Also it is important to note that "we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" Ephesians 6:12

As you all know, the Bible clearly states that if 2 or more shall agree touching on anything they ask, it shall be done for them. In Job 22:28 it states "though shalt decree a thing and it shall be established unto thee and the light shall shine upon thy ways". We require you after doing the spiritual warfare to decree in Jesus' name that the leaders of Uganda shall be righteous men and women from now on and the presidency and all the top leadership will only ever be in the hands of the righteous. Anybody pretending to be righteous should be removed. After that you pray in the spirit for a while.

Many people in the current government claim to be saved. We all know that God looks to the heart and therefore anybody pretending can fool us but they can't fool our Lord Jesus Christ.

You must be consistent in your prayers everyday knowing full well that the body of Christ has tremendous authority when united. The institution of leadership comes from God and when the righteous rule the people rejoice. It is always a terrible thing for that leadership to be taken over by the devil, like in the case of Nimrod, Jezebel etc in the Bible.

Stop compromising with evil and please join hands with us, it is your duty!!! You have the authority so arise and use it

God bless you
